

# Counter-IED What to Do Training Video Series

OFFICE FOR BOMBING PREVENTION

The **What to Do Training Video Series (TVS)** are instructional videos that communicate the threat posed by improvised explosive devices (IEDs), explain counter-IED concepts, and demonstrate bombing prevention procedures. The videos show audiences how to react to a bombing attack and deal with a variety of explosive threats such as bomb threats and suspicious items. All videos are free to view on YouTube.

## Video Library

**What to Do: Bomb Threat** – Demonstrates the procedures you should follow during a bomb threat and will help you prepare and react appropriately.

<https://www.youtube.com/watch?v=pg7yVTBciWg>

**What to Do: Bomb Searches** – Describes basic bomb search procedures to use once the determination has been made that a search is warranted, and authorities have been notified. This video demonstrates in detail, the room, route, and area search techniques that can be applied to any type of facility. <https://www.youtube.com/watch?v=fQWEfq7Z6u8>

**What to Do: Surviving a Bombing Attack** – Describes what happens when a bomb detonates and demonstrates the procedures you should follow to survive a bombing attack.

<https://www.youtube.com/watch?v=Sa6Lk2H9sYQ>

**What to Do: Suspicious or Unattended Item** – Demonstrates how you can determine whether an item is suspicious (potential bomb) or simply unattended and will help you prepare and react appropriately. <https://www.youtube.com/watch?v=jicaksGQ6HU>

## Format and Audience

Sometimes referred to as "how-to" videos, these short 4-8-minute instructional videos communicate easy to understand basic bombing prevention guidance. They provide individuals or large audiences with critical information for surviving potential IED threat situations:

- For both security officials and the general public
- Available on YouTube for individual or group viewing
- Accessible on your computer or mobile device

### Training Videos Help You...

- ✓ Better understand IED threats
- ✓ Prepare and react appropriately to bomb threat situations
- ✓ Make important decisions that can save your life and that of others
