# TRENDS IN TARGETING & TACTICS AMONG CONTEMPORARY TERRORIST ORGANIZATIONS

August 30, 2023

Dr. Tricia Bacon  
American University

**AGENDA:  
IDENTIFYING POINTS OF TACTICAL & TARGETING  
CHANGES**

- 1. THE ROLE OF LEADERS IN TARGETING & TACTICS**
- 2. SUCCESSOR TYPES & TARGETING/TACTICS**
- 3. ALLIANCES & TACTICAL CHANGES**

# **THE ROLE OF LEADERS IN TARGETING & TACTICS**

# THE CENTRAL ROLE OF FOUNDERS

Founders create the **HOW** and the **WHY** for their organization:

**HOW**

The tactics and resource mobilization that the group uses to achieve its goals.

**WHY**

The group's objectives and the framing that explains them.

# THE CHOICE FOR SUCCESSORS

To what extent will the **SUCCESSOR** follow the how and why of the founder?

- **INCREMENTAL** versus **DISCONTINUOUS** change

# DISCONTINUOUS CHANGE: WHAT DEFINES A SUCCESSOR

## Changes to the WHY

Discontinuous changes in framing include emphasizing a new adversary as the primary enemy. It could further take the shape of expanding the cause into new ideological areas.

## Changes to the HOW

Discontinuous changes in tactics and resource mobilization look like conducting operations in a new place (such as external attacks), adopting a new tactic and rendering it one of the group's main tactics, or even creating a political party.
