

Secure Our World: Super Bowl LVIII Video

The Secure Our World logo is at the top of the screen.

A button at the bottom of the screen says, "Learn more at: cisa.gov/SecureOurWorld."

A football field slides up from the bottom of the screen.

The following text animates in one line at a time:

Become the MVP of online safety.

Score points with strong passwords.

Block hackers with MFA (multifactor authentication).

Dodge phishing attempts.

Defend with software updates.

That's a win!

The "Learn more at: cisa.gov/SecureOurWorld" button moves center screen and is clicked by a computer mouse arrow.
