

Counter-IED Awareness Products

OFFICE FOR BOMBING PREVENTION

The Cybersecurity and Infrastructure Security Agency (CISA)'s Office for Bombing Prevention (OBP) provides a wide array of awareness products—including cards, posters, checklists, brochures, videos, guides, and job aids—designed to share counter-IED awareness information with the general public and across the public and private sectors to prevent, protect against, respond to, and mitigate bombing incidents. They are great tools for first responders and the general public alike, and many of them are available online at no cost.

Product Library

Job Aids and Checklists – Informative quick-reference tools to support decision-making in responding to bomb threats, suspicious activity/items, and terrorist/criminal threats. They come in a variety of formats and include an assortment of products that provide important, relevant counter-IED information at your fingertips.

Bombing Prevention Guides – Provide a source of counter-IED and risk management information and guidelines to help prevent, protect against, respond to, and mitigate explosive threats and bombing incidents in an orderly and controlled manner. They provide federal, state, local, and private sector partners on the front lines with knowledge, tools, resources to protect property and save lives.

Awareness Posters and Cards – A variety of handy quick-reference cards and informative posters that prominently present key bombing prevention information in an easy to understand format. These cards and posters cover many counter-IED topics and serve as a quick visual reminder of what to look for and how to react to prevent, protect against, respond to, and mitigate bombing incidents.

Videos – Instructional videos communicate improvised explosive device (IED) threats, explain counter-IED concepts, and demonstrate bombing prevention procedures by showing audiences how to react to a bombing attack and deal with a variety of explosive threats, such as bomb threats and suspicious items. The videos are free to view on YouTube. You can find the videos here at <https://tripwire.dhs.gov/training-video-series>.
