

★ COMMUNITY OUTREACH ADVISORY ★

ARE YOU AWARE OF **SUSPICIOUS** ACTIVITY?

Did you know
lodging facilities
can be used to
build bombs?

Hotels and lodging facilities can be venues for criminal or terrorist activities. Be alert to any persons who behave suspiciously or engage in unusual actions or activities.

Keeping Our Community Safe is Everyone's Concern

DEFEND TODAY, SECURE TOMORROW

Follow your instincts! If it appears unusual, report it!

Suspicious Behavior:

- Nervous or evasive, overly concerned with privacy
- Denial of access to room, refusing cleaning
- Insistence on cash payment
- Excessive luggage

Suspicious, Irregular or Excessive Items:

- Motion sensors, timers, modified household items (clothespins, mousetraps)
- Cannon fuse, Christmas tree lights, model rocket ignitors
- Fireworks, black powder, pool sanitizer, cold packs, stump remover, hair developer, racing car fuel, aluminum paint, acetone, drain cleaner
- Pipes and end caps, CO2 cannisters, pressure cookers
- Nails, ball bearings, bolts, rat poisons, and other dangerous chemicals
- Unusual chemical odors emitting from rooms or vehicles

If you **see** something, **say** something[®]

REPORT SUSPICIOUS ACTIVITY. Call 855-TELL-FBI (855-835-5324) or call local law enforcement.
