The Improvised Explosive Device (IED) Search Procedures course introduces participants to basic, low risk search protocols. It provides participants the information needed to create a search plan for their facility or special event and allows them to perform IED searches of a facility, an area, and a route.

### Course Format and Audience
This is a one-day, in-person instructor-led training covering the following topics:
- Preparing for a search
- Types of searches
- Facility search workshop
- Area search workshop
- Route search workshop
- Search assessment

This course is designed for groups of up to 25 participants and is intended for audiences such as:
- Critical infrastructure owners and operators
- Public safety officers
- Emergency managers
- Security officers
- Law enforcement officers
- Private sector security professionals

### Accreditation
The Cybersecurity and Infrastructure Security Agency’s (CISA) Office for Bombing Prevention (OBP) is accredited by the International Accreditors for Continuing Education and Training (IACET) to award Continuing Education Units (CEUs) for this course:
