

Counter-IED What to Do Training Video Series

OFFICE FOR BOMBING PREVENTION

The **What to Do Training Video Series (TVS)** are instructional videos that communicate the threat posed by improvised explosive devices (IEDs), explain counter-IED concepts, and demonstrate bombing prevention procedures. The videos show audiences how to react to a bombing attack and deal with a variety of explosive threats such as bomb threats and suspicious items. All videos are free to view on YouTube.

Video Library

What to Do: Bomb Threat – Demonstrates the procedures you should follow during a bomb threat and will help you prepare and react appropriately.

<https://www.youtube.com/watch?v=pg7yVTBciWg>

What to Do: Bomb Searches – Describes basic bomb search procedures to use once the determination has been made that a search is warranted, and authorities have been notified. This video demonstrates in detail, the room, route, and area search techniques that can be applied to any type of facility.

Format and Audience

Sometimes referred to as "how-to" videos, these short 4-8-minute instructional videos communicate easy to understand basic bombing prevention guidance. They provide individuals or large audiences with critical information for surviving potential IED threat situations:

- For both security officials and the general public
- Available on YouTube for individual or group viewing
- Accessible on your computer or mobile device

Training Videos Help You...

- ✓ Better understand IED threats
- ✓ Prepare and react appropriately to bomb threat situations
- ✓ Make important decisions that can save your life and that of others
