DHACDOOYINKA TOOGTAHA FIRFIRCOON

Marka Toogtaha Firfircoon ku sugaran yahay meel kuu dhaw, waa in aad maskax ahaan iyo jir ahaan diyaar u ahaatid in aad xaaladda wax ka qabtid.

Waxaa kuu banaan saddax fursad:

1 | OROD

- Maskaxda ku haay jid iyo qorshe aad ku baxsatid. Gadaal ku dhaaf alaabta aad leedahay
- Baxso xattaa haddii dadka kale aysan raali ku noqonin in ay ku soo raacaan
- Ku kaalmee dadka kale in ay baxsadaan, haddii ay suurtogal tahay
- Ha iskudayin in aad dhaqaajisid dadka dhaawacan
- Ka ilaali dadka kale in ay soo galaan goobta
- Meesha laga yaabo in uu joogo toogtaha firfircoon
- Ha la arko gacmahaada
- Wac 911 marka aad nabad qabtid

2 | DHUUMO

- Ku dhuumo meel uusan kaa arki karin toogtaha.
- Xer albaabka ama wax ku dadab meesha laga soo galoo meesha aad ku dhuumatay.
- Aamusi telefoonkaada gacanta (kana mid ah qaabka gariirka) adiga oo aamusaa

- Xoogga saar talaabadaha aad qaadid waxaa ku xeran naftaada

Saraakiisha kowaad ee yimaada goobta ma istaagi doonaan si ay u kaalmeyaan dadka dhaawacan. Filo in kooxaha badbaadinta ku soo xigi doonaan saraakiisha hore. Kooxahaan badbaadinta waxay daweyn doonaan iyo waxay qaadi doonaan dadka dhaawacan.

Kaddib marka aad tagtid meel ammaan ah, waxay u badan tahay in hirgelinta sharciga ay meeshaas kugu sii hayaan ilaa ay ka kantaroolaan xaaladda, kaddibna la aqoonsado dhamaan marqaatiyada lana weydiyo su'aalo. Ha ka tagin goobta ilaa madaxda hirgelinta sharciga ku faraan in aad sidaas sameysid.
