V2: *What do you mean?*

V2: *Do you think someone stole our credit card information?*

V1: *I don't know. That site sounds familiar though.*

V2: *Isn't that the site Billy's on all the time?*

V1: *You don't think... (pause)*

V2 & V1 together: *(yelling) Billy...!*

V3: *Stop and think before you connect. Playing online is serious business.*
